A Planetary Dance Committee event

On this night we will gather to honor loved ones who have died. We will create a circle where we walk and talk (silently) with each loved one we want to remember. You may choose up to three loved ones to honor. Bring a small object or photo of each one to place on our community altar. Please also bring a branch, leaves or flowers (objects in transition) to create our circle.

Wednesday, November 1, 6:15–8:30pm
All Saints Episcopal Church, 1350 Waller St, San Francisco

Registration is required. Event is free, but donations gratefully accepted to defray costs.
